

Your Gift Saves Lives

Dear Animal Lover,
Here's great news: **There's a problem we can actually fix together!**

It's not a drought or fire, flood, global pandemic or economic slide. The disaster is pets producing countless unwanted dogs and cats likely to suffer neglect, abuse and homelessness in Josephine County.

With supporters like you, JoCo Spay & Neuter Fund (JCSNF) took on that disaster in 2009. Since then, you've helped us "fix" 14,000+ dogs and cats owned by low income Josephine County residents, many in dire circumstances:

- The elderly couple in Cave Junction feeding a stray cat who morphed into a mom + 5 kittens! We fixed mom and transported the kittens to Josephine County Animal Shelter for fostering and adoption.
- A single mother homeschooling her kids as she struggled to confine her wandering intact dog.
- The compassionate Grants Pass trailer park resident who lost her job and couldn't afford to spay her rescued kitten.

Now all their pets are "fixed", and so many more, thanks to generous animal lovers like you.

While other local groups support spay/neuter, JCSNF is the only Josephine County non-profit solely focused on preventing pet overpopulation.

We know 2020 has been a very rough year. We can make 2021 better. We invite you to work together, with us, on a problem we can solve with generosity, compassion and love.

Thank you for your support. May the Holidays bring joy and the New Year bring better times.
