

# Open Hearts Save Lives

## **Dear Animal Lover,**

Covid closed down many things, but it can't close our hearts or our eyes to the needs we see around us, like the ongoing necessity to provide low cost spay/neuter for dogs and cats in Josephine County.

With high rates of poverty and rising veterinary prices here, many residents just can't afford to fix their cat(s) or dog(s). Because of open hearts like yours, JoCo Spay & Neuter Fund has been ready to help since 2009 and to date has completed a grand total of 14,126 spay/neuters.

The need continues, whether it is an elderly couple feeding "a kitty" and ending up with 7 the next day, or the old guy who fell in love with a lost dog who can barely afford to feed himself, much less neuter Buck.

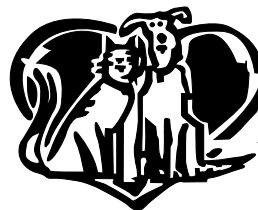

Due to the pandemic, we've had to postpone all of our fundraisers (our Annual Dinner would have happened this month). We urge you to not postpone your support. While the pandemic has dramatically slowed down surgeries at local veterinary hospitals, we know a tidal wave of need waits just around the corner.

We can only fulfill it with your help. A gift of any amount will enable us to be ready for spay/neuter's upcoming busiest seasons, spring and summer.

Thank you for your support. May there be a spring in your step as compassion flowers around us, for dogs, cats and those who love them.
